LEARNING OBJECTIVES: Students will be able to: (a) demonstrate an understanding of such concepts as assimilation, pluralism, ascribed and achieved statuses, prejudice, and discrimination; (b) display basic knowledge of historical socioeconomic, and political demographics of the U.S.; (c) demonstrate critical thinking about different theories and perspectives pertaining to race, class, gender, and sexuality; and (d) apply sociological concepts for the analysis of race and ethnicity to personal and/or family experience.

COURSE DESCRIPTION: The United States is an increasingly diverse society as witnessed by the changing demographics of race and ethnic relations. Emergency Procedures. Southern Illinois University Carbondale is committed to providing a safe and healthy environment for study and work. Because some health and safety circumstances are beyond our control, we ask that you become familiar with the SIUC Emergency Response Plan and Building Emergency Response Team (BERT) program. Emergency response information is available on posters in buildings on campus, available on BERT's website at www.bert.siu.edu, Department of Safety's website www.dps.siu.edu (disaster drop down), and in Emergency Response Guideline pamphlet. Know how to respond to each type of emergency.

Instructors will provide guidance and direction to students in the classroom in the event of an emergency affecting your location.
